ACTION REQUIRED - REFERENCES
 OFFPA-58153, 12 April 1961

1. In connection with [] discussions with GREENHARDT, we would like to bring to your attention the fact that AEDOGMA/1 received a letter from Posman not long ago from a man who is considered by SR to be a hostile agent for the Poles or, more probably, for the KGB. This fact quite clearly fits into the context of UPHILL investigations touched off by [] allegation of KGB penetration of UPHILL and, although not actually needed at this point, provides clear pretext for a full discussion with GREENHARDT of the AEDOGMA case. While in PRIME GREENHARDT stated that in his own mind he has about decided that GRISCHKE is the most likely candidate to share the honors with SPRIGES as KGB penetration suspects and was well aware that in this connection he would have to look into the question of Heinz SCHMALSCHLAGER. The latter, AEDOGMA/1's former chief in the Abwehr and current intelligence tie in UPHILL, has himself been a target of the KGB on perhaps two occasions (through Paul DIMITRENKO GOKBACH and Alfred LOSCHWEIN, as well as Kurt HARTMANN) and the story on AEDOGMA/1 and his motivations and connections has also never been entirely satisfactory. Nor has any of this been gone into in any great detail or spirit of purposeful cooperation.

2. The time for joint consideration of the AEDOGMA case would appear to be ideal and [] is authorized to open discussions with GREENHARDT as part of continuing talks opened up by the [] leads. It would be particularly desirable to use this device to obtain from GREENHARDT UPHILL's evaluation of AEDOGMA/1, indication of the nature and extent of UPHILL's employment of AEDOGMA/1 and indication of derogatory information on him in UPHILL's possession. This can probably be accomplished in the [] context in such a manner as to inform ourselves fully without our being obliged to give details of our handling of AEDOGMA/1.

3. Quoted below is the letter in question, written by Michael NEUKALYK to ARDORNA/1.

Poznan 16 March 1961

Dear Friend:

I would like to inform you that I changed my address some time ago. I now live in my own private house. That sounds imposing, but in actuality, this house gives me a lot of trouble. ~~The~~ whole year from early morning until late in the evening I have been working on it and am not yet finished with the construction. I have taken out a loan, but the money won't stretch. Moreover, I was sick for several months but am now feeling better. I am curious as to how you are doing? Are you still at the old address? Write me a few words and let me know.

Heartly greetings, Michael

My address: Poznan, ul. Leszczynska 165"
